
Additel 282 / AccuMac Probe Promotion

Terms & Conditions:

Offer valid through December 15, 2026. Purchase an Additel 282 Dual Channel Reference Thermometer Readout with an AccuMac Probe and receive the following at no additional charge:

1. **FREE Carrying Case (Model 9905).** Protect and conveniently transport your Additel 282 and accessories wherever your work takes you.
2. **FREE 1-Year Total Care Plan** - Enjoy added peace of mind with one additional year of warranty coverage and one free recalibration included with your purchase. The Total Care Plan applies only to the **ADT282** and is associated with the **serialized ADT282 model shipped** with the qualifying purchase.
3. **FREE Probe Terminations** – Additel will offer to terminate up to **10 of your existing probes** with the Additel Lemo style programable connector for use with your new Additel 282 Dual Channel Reference Thermometer Readout at no additional cost. If you would like Additel to program the probe connectors with your existing probe calibration information, the calibration coefficients, model number and serial number must be provided with the probes. All relating **shipping costs will be the responsibility of the buyer**. Before probes can be sent to Additel an RMA must be completed from the Additel website (<https://www.additel.com/contact/?subject=repair>) or emailing service@additel.com.

Sponsored by Additel Corporation, 2900 Saturn Street, #B, Brea, CA 92821. Qualified purchases are to be made through an authorized distributor or directly from Additel Corporation. Promotion is only applicable for specified models. Specific free items offered may not be changed to other models or configurations offered. Additel Corporation intends to make this promotion public on their website, social media pages and other applicable forms of customer interaction.
